# Tool Backs-Cut from Gray or Brushed Silver

You only need one set.  
I've provided two, with  
and without printing.  
If you are using the  
printed version, you  
have to remove the  
background before  
printing and save as a  
.png

# Sentiments & Pencil Back-Cut from Vanilla

Life without your friendship would be like an unsharpened PENCIL

Optional instruction panel, blank panel for sentiment, printed and blank version of pencil. If using the printed version, you have to remove the background before printing and save as a .png
