*Know that you are in our thoughts
at this time
that you are in our prayers
in your time of need
and that your wellbeing
is close to our hearts always.*

*Gather strength from those around you
Though you feel like letting go
Let God's loving arms surround you
Because He loves you so
Know that others feel like you do
Feel the sadness and the pain
So open up your heart to Him
Don't ever feel alone again.*

*May sadness turn to happy memories
with the passing of time.*

*May the love of family and friends
bring you peace and comfort.*

*In your life together
there were thousands of kisses.
None as special as the first
and none so sad as the last.
In your loss, may your love recapture
memories long forgotten,
gestures and words of comfort
and may God keep you in His love
until you are reunited
in the House of the Lord.*

*Know that you are in my thoughts
at this time
that you are in my prayers
in your time of need
and that your wellbeing
is close to my heart always.*
